
STORIES ON THE ROAD

Stories on the Road is an ETFO workshop
offered right in your own school!

*Do you have a child in your class with 2 moms or 2 dads?
Have you wondered how to talk about diverse families with your students
in a safe and inclusive way?*

Then this workshop is for you!

Our topic is: **Difficult Conversations Made Easy:
Talking to Kids about Diverse Families & LGBTQ Issues**

Date: Monday, May 16, 2011

Time: 3:45 - 4:30

Location: King Edward P.S. Library

*Using books and resources from your school library
and from ETFO's Family Diversity Kit,
we will read some wonderful stories, look at suggestions for
introductory / follow-up activities to use with students,
make links to curriculum connections,
and have an open discussion about any related issues.*

We hope to do all of this in a casual atmosphere.

No sign-up is necessary; please drop in and join our chat.
Friends or colleagues from neighbouring schools are welcome too!

The Human Rights Committee will provide
drinks, snacks and some **book prizes** for your classroom!

Won't you join us?
